LAWN CEMETERY NEW GRAVE ALLOCATION POLICY

Policy number	002	Version	1.0
Drafted by	David Vaughan	Approved by Board on	15/6/2020
Responsible person	David Vaughan	Scheduled review date	12 months

INTRODUCTION

A Cemetery Trust may make rules for or with respect to the general care, protection and management of a public cemetery for which the cemetery trust is responsible.

Rules may be made for or with respect to the position and depth of places of interment which are graves.

PURPOSE

The purpose of this document is to describe where the next place of interment in the lawn cemetery shall be.

DEFINITIONS

The next place of interment in the lawn cemetery shall be adjacent to the last place used on the lawn beam except in the instance of:

- A reopen, and interment, in a currently occupied lawn grave
- If the ground, for a new grave, next to the last interment is unsafe to excavate

Graves can be dug to include *2 interments, maximum, and the ROI (Right of interment) holder can choose the position of the body in the grave (eg: position of the head nearest the beam or toes at the beam)

*Note: As of 3/8/2021 Changed from 3 to 2 interment depth can be the maximum due to OH&S.

POLICY

This policy incorporates all the above and conditions are to be complied with by the holders of rights of interments and by persons who conduct interments &/or ceremonies in the cemetery.

Policies can be established or altered only by the Board: **Procedures** may be altered by the CEO.
